

# OPERATION CLEAN UP

July 5-9, 2010  
8:30 am - 3:30 pm

Last year's clean up day went so well that we decided to offer it again as a week-long event to accommodate more volunteers. Each day will have a different focus - please stop in as your schedule allows.

Monday-cleaning and painting,  
Tuesday-general cleaning,  
Wednesday-gardening, Thursday-  
moving classrooms around, Friday-  
miscellaneous.

If there is enough interest, Saturday can be added to the schedule too. Report to the office and see Mr. Arnold for a list of options for the day. Please call 929-7888 or email [arnold@ashleyacademy.com](mailto:arnold@ashleyacademy.com) if you can help a little or a lot!
